### THE BEYOND

It seemeth such a little way to me  
Across to that strange country, The Beyond;  
And yet, not strange, for it has grown to be  
The home of those of whom I am so fond.

And so for me there is no death;  
It is but crossing, with abated breath,

A little strip of sea,

To find one's loved ones waiting on the  
shore

More beautiful, more precious than before.
