

30-foot Allegro Motor Home

More amenities than a house!

More room than many apartments!
Comfortably sleeps 8-9 (five beds)

All the extras: microwave; central vacuum system; dual stainless steel sinks; split bath (the shower is separate from the toilet area); 10 cu. ft. refrigerator with freezer compartment which runs on AC or gas; AM/FM radio with cassette tape deck and speakers throughout the motor home; extra large awning to provide shade outside; TV antenna on roof that is aimed by remote control; buddy seat; roof rack and ladder;

Easy to drive: automatic transmission; cruise control; power steering; tilt steering wheel; has been driven only 32,000 miles.

Heating: forced air furnace with thermostat; gas water heater; peace of mind ensured by electronic gas detector so sensitive it will detect a gas leak in a motor home parked next to yours!

Air conditioning: motor air plus two air conditioners. Deluxe model with heat elements.

Systems: oversized 6.5 generator; dual batteries that charge by the generator and while driving; six brand new Michelin tires; 454 cu. in. Chevrolet engine; electric fuel pump booster to ensure performance up steep hills; transmission cooler; dual gas tanks to hold 65 gallons; 25-gallon propane gas tank

All mechanical systems recently checked.
